

# VIDOR ACE

AFTER SCHOOL CENTER ON EDUCATION  
A PROJECT OF THE VISD COMMUNITY EDUCATION DEPARTMENT  
Funded by a 21<sup>st</sup> CCLC grant from the Texas Education Agency

## PARENTAL & FAMILY INVOLVEMENT 2010-2011

---

---

### WE NEED YOUR HELP!!

To help maintain our grant funds, each Vidor ACE (Afterschool Center on Education) site must serve 233 students per school year (50 at AIM Center). While all children are eligible to attend Vidor ACE regardless of parent participation, we urge you, your immediate family, and relatives to attend at least one Vidor ACE event per semester to help us keep our funding. In addition, parental participation greatly increases your child's chances for a successful educational experience. We have great things planned, and we think you will enjoy joining us!

Vidor ACE will keep you informed of all events through a monthly newsletter, flyers and/or personal phone calls.

I understand that Vidor ACE needs my participation to keep its grant funding.
