TRANSPORTATION INFORMATION 2010-2011

How will your child get home after the Learning Tree?

Please select **ONE** choice only! For safety reasons, this choice must remain the same each day of program:

My child has permission to walk home at the end of the program (VJHS, VHS, AIM only)

I will pick up my child at the end of the Learning Tree program

My child will ride the bus home**

**Bus Transportation will be offered at eligible campuses beginning MID-SEPTEMBER. If you select "bus" as your option, please be prepared to pick up your child until you are notified that the bus is ready.

The District has established certain criteria to determine the use of various locations for bus stops within District boundaries. While each route composition is unique, the typical walk-to-bus stop distances are provided below to facilitate a timely and an effective route system.

Category	Walk-to-Bus Stop Distance
Elementary	0.1 miles
Middle/High School	0.2 miles

Parents must assume the responsibility for their students traveling back and forth from home to the bus stop. The program must be kept informed by parents of transportation arrangements for each child. Any change in these plans must be communicated to us in writing.

We remind all parents and students that:

All students who ride buses to and from school will be expected to conduct themselves in a courteous/proper manner. Riding the bus is a privilege. Any student who cannot abide by the transportation rules of conduct and the Code of Student Conduct in the Student Handbook will be subject to disciplinary action that could result in loss of bus riding privileges. This applies to ANY TIME a student is on board a bus, whether riding home, attending a field trip program, or attending an off-campus service project.

I AGREE THAT MY CHILD AND I WILL FOLLOW THE VISD AND LEARNING TREE TRANSPORTATION POLICY.
