RE: Cancellation of the VISD Flu Shot Clinic

Dear VISD Parents or Guardians,

Vidor Independent School District was in a partnership with CareDox/Healthy Schools who offered our free Flu vaccine clinic for all of our students in the 2018-2019 school year. It saddens us to have to *inform you that our partner company, Healthy Schools, has cancelled all Flu Clinics across the State of Texas. We at VISD apologize for any inconvenience this may cause you and your family. VISD is working toward another partnership which will provide this service to our students in the future, but will not have a Flu Shot Clinic available this school year.*

Of course, we encourage you to contact your child's primary care physician or local health clinic to get your child vaccinated for the Flu if you were depending on this service.

Sincerely,

Deana Bunting, R.N.

Nurse Coordination for all VISD School
