

Dear Parent or Guardian,

The district uses the SchoolMessenger notification service to send important information to families through phone calls and emails, and now through text messages.

To comply with wireless carrier requirements and protect against unsolicited text messages, you may receive a text message on the wireless cell phone number which the district has on your file, requesting that you "opt-in" to receive important information from the district via our SMS text messaging service.

The message you receive will come from our 'short code', **67587** and read similar to the following:

"VidorISD messages. Reply Y to subscribe or STOP to cancel. Msg&data rates may apply. Msg freq varies. Visit schoolmessenger.com/txt for info"

So that you may receive these important messages by text, we encourage you to reply with "Y" or "Yes" when you receive such a verification message. If you do not reply, you will not receive any further text messages from our schools.

To opt out of all text messages from SchoolMessenger, visit <http://www.schoolmessenger.com/txtmsg/> or reply with "STOP" to the opt-in message that you receive. If you opt-in, but later decide to opt-out, simply send "STOP" to **67587**. You may also reply "STOP" to any message from our organization.

For further information, see the back of this page.

Please check with your wireless carrier for information about your mobile service plan and any possible charges related to text messaging. Our organization does not reimburse for any charges associated with sending or receiving text messages.
