

INVITATION FOR COMPETITIVE SEALED PROPOSALS MODULAR CLASS ROOMS

Vidor Independent School District is requesting competitive sealed proposals for the lease of nineteen (19) modular class rooms buildings (38 classrooms), two (2) boy/girl rest rooms and, two (2) administration buildings for a total of twenty-three (23) buildings for a minimum of six (6) months with monthly extensions. There will be for two locations 505 Orange Street and 945 N. Tram in Vidor, Texas. The proposals are due no later than 2:00 p.m., April 18, 2018. Proposals will be opened at 200 Archie Street Vidor, Texas. Please mark envelope "Modular Classrooms". Two bound copies of the Proposal are to be submitted to:

Vidor Independent School District
Attn: Robert Godeaux
Director of Support Services
505 Orange Street
Vidor, Texas 77662

The District may interview and evaluate, each proposal based on the selected criteria 60% on price, 20% reputation, and 20% on the ability to meet district needs. Questions concerning this request shall be directed to Robert Godeaux (409) 951-8771.

Please see enclosed specifications and tabulation sheet. There will be a non mandatory walk through on April 12, 2018 at 10:00 a.m.

Vidor ISD reserves the right to waive any informalities and/or to reject any or all proposals and to make the best selection on value and most qualified firm to perform the work.

Please enclose schematic layout for proposed buildings at both locations.

Request for Proposals for Modular Buildings

Vidor Independent School District

Contractors submitting proposals for **Modular Buildings at 500 Orange Street and 450 N. Tram** Vidor Independent School District, Vidor, Texas, will note the following changes, additions, and clarifications to the Construction Documents.

SPECIFICATIONS

As a clarification to the Construction Documents, **ALL** items of the Proposal Form must be completed per the specifications.

All proposals should include both mobilization and demobilization.

Although site visit is recommended and proposers should propose the most cost efficient layout for the proposed site, at your request, Vidor ISD will provide rough schematic of proposed layout.

Please email dcroak@vidorisd.org as a request for proposed schematic. Schematic does not represent the buildings required for proposal and do not excuse the proposer from meeting the requirements in the proposal documents. Sample schematic is simply meant to provide the proposer with a site layout for proposed buildings.

Vidor ISD requests local contractors for electrical, plumbing and material be sought when proposing.

END OF ADDENDUM

David Croak
Assistant Superintendent
