

August 1, 2019

Vidor Pirate Fans,

Soon we will be starting another season of Pirate football and there is much to look forward to. This year will have many moments of excitement as we cheer our students on in many forms of competition and performance. We also look forward to a new era of quality with the improvements to Pirate Stadium and Ivan Croak Field.

With these positive changes, Vidor ISD administration will be taking steps to address the safety and security of all involved. The main step taken to address this matter revolves around the participants allowed on the sidelines during the event. Beginning with the first game played at home this year the following groups of people will be the only ones permitted on the track or sidelines throughout the event:

- Players/Students Involved in the Event
- District Coaches
- VISD Administration
- Police/Security Personnel
- District Approved Media (must be approved 48 hours prior to event)

Vidor ISD realizes that this will be a change to past procedures. However, the intent is to provide an enjoyable experience at the event with a minimum of security risk.

We thank everyone for their cooperation in this matter and look forward to 2019 Pirate Football!

Sincerely,

A handwritten signature in black ink, appearing to read "Jay Killgo".

Jay Killgo
Superintendent
Vidor Independent School District
